

## **Chief Financial Officer Position Available (Opening Date: February, 2010) Greater Philadelphia Urban Affairs Coalition (GPUAC)**

[gpuac.org](http://gpuac.org)

We have been engaged to assist our client, the Greater Philadelphia Urban Affairs Coalition (GPUAC), in their search for a Chief Financial Officer (CFO). With an annual operating budget of \$35 million and over 500 employees, the Coalition's mission is to work with nonprofits to help overcome the educational and economic barriers that prevent self-sufficiency for low-income individuals and families. As the premier fiscal sponsor in the region, GPUAC provides a platform for the 90+ non-profit organizations within its network to have their finance, accounting and administrative functions managed by GPUAC, allowing them to focus on their core objectives. The Coalition has a strong presence in the political community and serves as a national benchmark for its breadth and excellence in service delivery.

Directing the operation and management of GPUAC's fiscal department, the CFO will be a key figure in strengthening the Coalition's accounting and finance functions, internally and also externally through the Coalition's fiscal sponsorship practice, which represents over 80% of the Organization's revenues. The ideal candidate will have a minimum of 10-15 years relevant finance experience, with at least 5 years management experience, preferably in the non-profit sector. The successful candidate will be technically adept in all areas of financial management and must possess excellent written and oral communications skills to interact with external constituents, community group leaders, government officials and all staffing levels within the organization. The CFO will have significant interaction with the Board of Directors and political leaders in the Philadelphia Region. MBA/CPA is preferred.

Compensation consists of a base salary in the range of \$125,000 along with an excellent benefits package.

**TO APPLY FOR THIS POSITION OR REFER A CANDIDATE:**
